

THE ART OF WONDER

Speaker & Illusionist

Repertoire

LUCCA's art is to astonish people. To him, illusions are pieces of art that entertain, inspire, enthuse and stimulate the mind.

It is no art on the other hand, to be astounded by LUCCA's illusions. Lucca is the current Vice-World- and two times Austrian Champion of Mental Magic and founder and star of the dinner-show "The Salon of Wonder".

Motivational Speech „The Rediscovery of Wonder“**

This 30-60 min. will inspire you to value every day wonders and teach you how to think like a master of his profession.

Illustrated by some of his award winning illusions, you will discover the correlation between magic, curiosity, creativity, innovation and wellbeing.

The Mind-Reading Revolution (Vice-World Champion act)

The most incredible mind-reading act in magic history! In a witty contest between a professional mind-reader and his assisting wife, Anca takes over control in order to show "real mind-reading". Unsuccessfully trying to figure out Anca's incredible skills, Lucca finds himself in a two-fold struggle, to maintain his reputation on stage and to survive as a husband. 15-45 minutes.

Stage Performances*

A 20-60 minutes performance for up to 10.000 guests.
Ideal for gala-dinners and conferences.
Quick and easy stage set-up under almost any condition.

The show and its illusions can be adapted to particular requests.

The Salon of Wonder* - A unique Dinner Show

This long-time success from the Vienna Imperial Hotel is the ideal setting for an interactive magical experience. Between exclusive culinary courses, four shows of 25 minutes present many of today's state-of-the-art illusions. Ideal for a group of 20 to 60 guests, it creates a very intimate atmosphere thereby making the illusions appear even more astonishing. 4 hours of the finest dining and magic fly by but will never be forgotten.

The show can be modified for bigger audiences.

CloseUp Magic

Illusions at immediate proximity for receptions, or performed directly at your table. You can experience small wonders in front of your very eyes and in your own hands at the closest range possible!

WeddingTainer*

Inspired by numerous performances at weddings, LUCCA has developed a unique wedding programme in which themes such as wedding, love and marriage are magically presented.

A romantic, funny stage performance underlines the significance of this day and is yet another highlight of your wedding celebration. LUCCA lovingly incorporates the bride and groom in his illusions.

Card Magic Lecture*

LUCCA's CARD MAGIC SEMINARS are interactive workshops for everyone. Every participant receives a deck of cards and 12-page handbook with simple but astonishing card tricks for absolute beginners. A gift box is separately available and makes for an ideal present.

Memory Workshop „Amazing Memory“

Never forgetting names or faces anymore? Remembering details of your clients or business partners ? In his one-day lecture, Lucca will teach you how to exponentiate your memory! Techniques, proven efficiently by World Champions, will let you remember things, you have never thought possible.
